Dear Parents and Community Members

Welcome to Week Seven

Assembly
On Friday 1st June we were treated to a great assembly by Year 3 students from Jarrah 4. The theme of their assembly was friendship. The children spoke beautifully and they all performed really well. Well done Miss Fong and Jarrah 4.

School Board Meeting
The School Board met on Wednesday 28th May. We welcomed Mrs Elaine Adamson and Mr Brad Williams on to the Board. A huge thank you to Mrs Terri Hinch for all her work over the last 3 years. The Board discussed Pillar 2: Student Engagement and Pillar 3: Digital Technologies. I delivered a PowerPoint presentation on a recent survey by The Commissioner for Young People regarding student engagement. As a result the Pillar 2 committee are looking at modifying our School Business Plan to reflect the findings of this and our work at the National Future Schools Conference. I updated the Board on the work we were undertaking as a school and as part of the Ocean Reef Education Network. I showed the Board our current planning/scope and sequence documents.

Winter Carnival
All our Year 5 and 6 students took part in soccer, football, netball, league tag and modcrosse last Friday at Kingsway Reserve. We were extremely lucky with the weather and we had a fabulous day. I was coaching the footy team and we came a credible third out of six schools. We were unlucky to lose one game by a kick, but I was so proud of all the children. Their sportsmanship was outstanding and their behaviour was a real credit to our school. All the other teachers reported similar experiences. Congratulations to both our soccer and netball teams for winning pennants.

Lost Property
There is a large amount of unclaimed items in the lost property bin located outside the Administration building. If you have lost items, please check the bin for your belongings. The student leaders will empty out the bin for classes to check towards the end of term. Please make sure that items including jumpers, hats and lunch boxes are labelled with students’ names.

Kiss and Drive
Kiss and Drive has been running well this term. A reminder for parents to please continue to move forward in the Kiss and Drive bays as you wait for your child. Please don’t park in the bays, if your child is not waiting to be collected, please do a lap of the school and enter the Kiss and Drive again. As the weather becomes wetter, we have asked students to be prompt to the Kiss and Drive collection area to ensure that they are collected. If your child is not waiting for you, Administration will ask parents to complete a lap to allow for traffic flow and smooth running of the Kiss and Drive. We thank you for your support in this.

Congratulations
Congratulations to Iona in Year 5, Tuart 3. Iona has recently completed several weeks of trials and has been successful in being selected for the WA State Under 12s Girls Soccer team. Iona will travel to Sydney later in the year for a week long competition. Congratulations to Iona on this fantastic achievement.

BEST Playground Resilience Tip
Bouncing Back - from physical and emotional bumps in the playground is teaching your child resilience. Rate the bump on a scale of 1 to 10 and then ask your child what would help to make it better (even one number less is a good start). Bestprograms4kids.com
